## HELLO, FELLOW READERS!

It's time to CELEBRATE!

Did you know that April 12th-18th is National Library Week? Since 1958, the American Library Association has taken this time to celebrate libraries and librarians across the nation. This year's theme is *Unlimited Possibilities @ Your Library*, and we couldn't agree more!

- \* Almost 70% of Americans have a library card, and check out two billion items from libraries annually.
- \* There are more public libraries in the US than McDonald's restaurants--almost 17,000 as of 2013!
- \* The highest overdue fine ever paid was \$345.14, for a poetry book checked out in 1955 and returned in 2002!
- \* Have you ever thought about how much money libraries save you? In just one month, if you check out two books and two DVDs, read two magazines and two newspapers, and use our WiFi for two hours, that comes to over \$1200 annually? Not bad, huh?
