JOIN US FOR AN EXCITING NEW PROGRAM!!

*Thanks to a grant, we are putting on an informal science learning program called "**Pushing the Limits**".*

Free your mind at the library! Explore ideas about survival, connection, nature and knowledge with this "book-club-meets-science-discussion"!! It is very informal—not like school, at all, but rather, fun and interesting!

We are meeting every fourth Monday at 5:30 pm, starting February 27th. There will be a light meal provided for free, and the program will last about an hour.

*February 27th is Nature, and we will be discussing **When the Killing's Done** by T.C. Boyle. Copies of the book are available for participants to have. Call or stop by the library to register! Kim Houtz will be partnering with our Mandy Cook in this endeavor.*

You're invited to join our Book Club, the **B.A.G Ladies!**

(aka the "Books Are Great" Ladies)

We meet the first Monday of the month at 6:00pm, here in the library! This month, February 6, we will be discussing **The Glass Castle** by Jeanette Walls.

March's book will be **The Martian** by Andy Weir. We would love to have you join us!

Another opportunity for a book club discussion is the YA (Young Adult) for Adults Book Club. We meet the second Wednesday of each month at 12:15 pm. February's book is **Illuminate** by Amie Kaufman and Jay Kristoff. The book we will be reading for March is **If I Was Your Girl** by Meredith Russo.
