## THIS MONTH IN ADULT PROGRAMMING: "Humanities Combat Rural Decline"

Join us on Saturday, July 18th, at 1:00pm for this inspiring presentation from **Joan Nothorn**, President and Co-Founder of the Solomon Valley Highway 24 Heritage Alliance ([www.hwy24.org](http://www.hwy24.org)).

In *Humanities Combat Rural Decline*, Joan explores and explains how cultural opportunities allowed one rural Kansas town to stretch beyond its own place and time.

Made possible by the Kansas Humanities Council!

### *And speaking of Adult Programming...*

Believe it or not, this year is half over, folks! And we're hard at work putting together our adult programs for next year.

This is where YOU come in!

What/Who would YOU like to see us bring to the library in 2016? We need your input! It makes sense, right? The programs are for YOU, so YOU should get to help us decide what to do.

Feel free to stop in, call us, email us, post on our Facebook page, write us a letter... we're excited to hear your ideas!

In the meantime, enjoy what we have planned for the rest of 2015!
